

Claims

The embodiments of the invention in which an exclusive property or privilege is claimed are defined as follows:

1 1. A method of recording the servicing of
2 private onsite wastewater treatment systems comprising:
3 receiving service requests for a plurality of
4 private onsite wastewater treatment systems;
5 assigning one of a plurality of service
6 providers to each of the service requests;
7 for each assigned service provider, notifying
8 the assigned service provider of each service request
9 assigned to the service provider;
10 from each assigned service provider,
11 receiving a service report describing services
12 performed in response to each service request assigned
13 to the service provider.
